

Risi Racing Review...

6/29/2020

Race 1

#2 Marvalous Jet- She got the job done last out and has a giant late kick to offer in a short field.

#3 Prairie Westerngal- She will look to be near the lead early on, has won 6 of 27 starts lifetime.

#6 Goldstar Rockette- Got the job done out of the pocket last out, steps up today to prove she is for real.

Race 2

#5 Eldorado of Gold S- Has faced much tougher company prior to coming into this one.

#6 War Cry Hall- Has giant early gate speed, could take them wire to wire here.

#1 Ferriswheel Junkie- Takes the stretch from a half to a 5/8 mile track, inside post as well.

Race 3

#6 Hurricane Joyce- She has paced some big miles when she minds her manners, much the best here.

#5 Gold Star Stormie- Put up a giant back half last week to win her first ever lifetime start.

#8 Chart Topper- She likes the front end but has to show some better late kick.

Race 4

#4 Choochoocharlie- Drops in class and has the best early speed, wire to wire here.

#9 Mayfair Well- Was giant first over last week, only concern here is the outside post.

#2 Lightfootedlegend- Was solid for minors last out, took heavy public money as well.

Race 5

#8 Delilah De Vie- Will be forced to leave from the outside tonight, beat better here last year.

#2 Gold Star Aurora- Has shown her late kick to us, if they bunch up, she can steal it.

#6 Miss Daisy Duke- Takes the stretch from a half to a bigger track, should show improvement.

Race 6

#3 Jett Star- Is way down in class the last two starts, expecting him to jog here tonight.

#2 Jurgen Hanover- Needs to be forwardly placed early on to be able to hit the ticket.

#1 Gittin All Sexy- The breaking issue is the only concern, other than that she is fast enough to stick with these.

Race 7

#8 Classic Can Dream- Takes yet another drop in class here, back class should shine.

#4 I Saw Red- Hit the board in 21 of 43 starts last year, impressive resume to start this year off with.

#1 Askmysecretary- Has been lightly raced in 2020 thus far, inside post helps tonight.

Race 8

#6 Standing Respect- She is much better when racing out of a hole, 2nd or 3rd off the gate would be great.

#8 Sun Belle Slippery- Wicked fast early speed to offer, slow first half puts her in the winner's circle.

#2 Rear View- Likes to make a giant late move, up for minors late here.

Race 9

#2 Windsun Gotham- Was facing much tougher here last year, down in class tonight.

#4 A Yankee Feelin- He chased a fast pace last out, same thing here, not much of the winning type if you ask me.

#5 Wildcat Hilton- Takes yet another drop in class tonight, crushed these last year here.

Race 10

#5 Prairie Cougar- Is yet to be beaten in 2020, I expect a big race out of her here.

#4 Gold Star Mysti- When gets in good form she is very versatile and it is hard to keep her out of the ticket.

#2 Shecouldbegood N- Has won her last two starts with ease, looking for three in a row tonight.

Race 11

#4 Show Em All Lindy- Takes a giant drop in class after his last start out at Pocono, should be able to handle these.

#8 Askmelater Hanover- Has a little bit of a break issue, faced stakes company last year.

#2 Boli- Has a mark here of 155.0 last year, do not let the lines deceive you with this one.

Race 12

#4 Post Time Terror- Brushed and crushed last time to get the job done, looks for a repeat tonight.

#2 A Wish For Wings- She has a giant late closing kick to offer, the faster they go early the better off she will be.

#5 Filly Forty- Has been lightly raced thus far in 2020, coming from off the back here.

Race 13

#7 Keystone Steam- Dropped and popped last out, steps back up to prove he is for real.

#3 Agedchedar Hanover- Has had two bad post positions in his last two starts, moves inside tonight.

#4 Heartland Eclipse- Has flashed big early speed for the new barn, first pari-mutuel for the new connections tonight.
